 Jan 2016 - Feb 2021

GPA- 4.78

Primary school certificate

(Fazilpur Kindergarten)

 Jan 2008 - Dec 2015

GPA- 4.83

Passions

Mentoring

I enjoy contributing to the learning journey of others and advising them about the true meaning of knowledge.

Problem Solving

When a problem arises and when I solve it I enjoy the process very much.

Adaptability

If I don't know about any technology or any other thing then I love to know about it. If I don't get any resources then I simply search it online or google it and I learn it very fast because of my quick adaptability.
